Foreword

The 2019 revision of the Dorset College Quality Assurance Handbook (QAH) is in line with the Statutory Quality Assurance Guidelines developed by QQI for use by all Providers[1] and the Sector Specific Statutory Quality Assurance Guidelines developed by QQI for Independent/Private Providers coming to QQI on a Voluntary basis[2], as well as the Standards and Guidelines for Quality Assurance in the European Higher Education Area, May 2015[3]. This revision also takes into consideration the evolving scope of Dorset College encompassing policies and procedures applicable to higher, further and English language education. The revision is within the context of overall governance and management structures in place to support the delivery of such programmes and specifically encompassing policies and procedures applicable to our current suite of programmes (Level 5 to Level 8) and in the future up to level 9 on the National Framework of Qualifications (NFQ).

This edition of the QAH was informed by consultation with key stakeholders of the College including but not limited to learners, staff and faculty and wider engagement with the further and higher educational community as well as external stakeholders for approval by Dorset College Academic Quality Committee upon review by an independent QQI panel.
